

CALIFORNIA CONTINUATION EDUCATION ASSOCIATION

CCEA MEMBERSHIP

The California Continuation Education Association has been in existence for 93 years. Their sole focus has been to advocate for the betterment of continuation education by providing support to existing and new continuation schools and advocacy for the needs of our students. As CDE has continued to make cutbacks to their programs, CCEA's advocacy in the development and writing of legislation has become even more important, so that continuation schools and their educators are not forgotten. Each area district has representatives that serve the interest of their local continuation schools, and these representatives meet twice a year in order to communicate efforts, learn updates and provide professional supports that are then brought back to the local areas.

What can CCEA do for me?

- CCEA works with the California Department of Education to recognize schools for their high standards of performance through our Model Continuation Schools Program.
- CCEA recognizes Exemplary Programs and provides a statewide resource of creative and effective programs.
- The WASC accreditation process is supported by providing visiting committee members drawn from continuation schools, as well as workshops for preparing the school report and conducting the site visit.
- CCEA's website and Facebook page provides significant documents and resources, a discussion page, alternative education links and a membership directory.
- Mentoring for other continuation educators and administrators.
- CCEA presents an annual state-wide conference which is the only professional learning community for continuation educators. It also serves as an opportunity to make statewide recognitions for teachers, administrators, classified employees as well as the creative work of students.
- An opportunity to network with other CCEA members.
- Regional workshops.
- A direct link to a CDE Liaison.
- Discounts on Conference fees.
- Electronic newsletters.

What is the cost?

\$50.00 per year. Not much, considering everything you get. Go to the CCEANET.org website to sign up. This membership will also provide you a discount at the annual state-wide conference.

The membership of the administrators, teachers and classified staff at your schools is crucial to maintaining the efforts of CCEA in providing support to continuation schools across the State. Join Today!!!!
