

## Announcement for 2017 Continuation High School Principal's Institute

The presentation for 2017 will be held on April 26 – 27, 2017 at the Fresno Doubletree Hilton preceding the 2017 CCEA State Conference at the same site. To add the state conference to your registration for \$125 you will have both the Institute and the State Conference at a great savings. Please use the CCEA Conference Registration form for registration only in the Institute or if you choose the Institute and Conference that option is there also

The Institute is a two-day workshop that provides information on law and practices of continuation schools, attendance accounting procedures, accountability standards, application of relevant education code and alternative curricular options are fully explored.

The Institute provides the most comprehensive presentation of the law, regulations and leadership issues that pertain to the operation of the continuation high school. It offers intensive exploration of topics that are unique to these schools and is an excellent staff development opportunity for alternative education administrators or for those who seek to better understand the operational dimensions of continuation education.

The Institute specifically addresses the needs of continuation high school administrators as educational leaders. The design of the workshop is to strengthen the delivery of services to students by helping administrators to be strong, confident and expert in the exercise of their leadership responsibility. The workshop will help to assist these leaders to learn how to build capacity in their schools for the development of a quality program.

Each participant in the Institute will receive a copy of the Manual for the Principal's Institute including The Attendance Accounting Manual for Continuation Schools and a copy of the annotated Handbook for Continuation Schools both of which are documents prepared by CCEA and approved by the CDE. The content of the Institute includes the following topics:

- ATTENDANCE ACCOUNTING
- CREDIT EARNING
- LEGAL MANDATES
- INSTRUCTIONAL ISSUES
- CURRICULUM/STANDARDS, COMMON CORE STANDARDS
- GUIDANCE PROGRAMS
- INTEGRATED PROGRAM MANAGEMENT (WASC AND MODEL SCHOOLS)
- OTHER KEY ISSUES: ASAM, WASC ACCREDITATION, RUBRICS AND STANDARDS MASTERY
