INTRODUCTION

The Model Continuation High School (MCHS) Recognition Program identifies and recognizes outstanding programs and creates a resource list of quality programs for school visitations. These schools provide comprehensive services to at-risk youth through the use of exemplary instructional strategies, flexible scheduling, and guidance and counseling services.

The MCHS Application packet includes instructions for completing the application, reference materials, and the forms to be submitted.

To be considered for the MCHS Recognition Program, a school **must**:

1. Meet the School Eligibility Criteria. (See page 2)
2. Submit an Intent to Submit Form (Attachment B) to the California Department of Education (CDE); forms must be received **by June 30, 2017**. The completed Intent to Submit Form should be e-mailed to:

Darice Barefield, Associate Governmental Program Analyst
E-mail: dbarefield@cde.ca.gov

3. Submit **one original** and **two copies** of the completed application to the CDE at the address provided below; applications must be received or delivered by **4 p.m. on September 5, 2017**.

Jacie Ragland, Education Programs Consultant

Note: Faxed or e-mailed copies will not be accepted. The CDE encourages each applicant to submit the application using Certified Mail or Return Receipt Requested, so that the applicant will have proof of receipt of the application. Late submissions of the MCHS Application will result in disqualification from the reading process.

SCHOOL ELIGIBILITY CRITERIA

Schools that meet the following eligibility criteria are invited to apply:

1. The school is established as a “continuation high school” according to California *Education Code (EC)* sections 48430–48438.
2. The school’s average daily attendance (ADA) for Previous Year, Second Principal Apportionment (P2) is at least 75 percent.
3. The school is accredited by the Western Association of Schools and Colleges (WASC).
4. The school’s WASC Visiting Committee Report verifies that the school has completed a full self-study, which typically involves a three and one-half day visit.

APPLICATION PREPARATION

1. Review the Application Instructions.
2. Review the reference materials (Appendix 1–4). **Do not** complete any of the forms included in this section. These materials are provided for information only and should not be submitted as part of your application packet. The Expectations for Site Validation Visits, Common Problems with Site Validation Visits, Sample Site Validation Visit Agenda, and the List of Current MCHSs provide additional information. The applicant school is encouraged to visit an MCHS to observe exemplary practices.
3. Complete the application forms (Attachments C–F and I–K) and ensure that they are in the exact format as provided in the application, on 8½- by 11-inch white paper, and single sided.

4. Prepare the Narrative Statements, including Attachment G and the Staff Statement, Student Statement, Parent/Guardian/Caregiver Statement, and Community Member Statement, and Program Effectiveness Statements (Attachment H). Each statement must be on 8½- by 11-inch white paper, single sided, typewritten, in 11 or 12-point Arial font, single-spaced, normal character spacing, with one-inch margins.
5. Review the Application Evaluation Process
6. Complete the Application Checklist (Attachment K). Use the checklist to ensure that all of the required documents are in the application and compiled in the proper order. The checklist **must** be submitted with the application.

Application Assembly

The completed application is to be stapled or clipped in the upper left-hand corner. Pages are to be single-sided. Do not submit applications in binders, folders, notebooks, spiral bindings, or other covers. Each of the items listed below must be submitted for the application to be considered complete and must be assembled in the order listed below.

1. Application Cover Sheet (Attachment C)
2. School Information Sheet (Attachment D)
3. Certification (Attachment E)
4. Glossary (Attachment F)
5. Narrative Statements (Attachment G)
6. Program Effectiveness Statements (Attachment H)
7. Quality Indicators (Self-Evaluation) (Attachment I)
8. Exemplary Components Checklist (Attachment J)
9. Master Schedule
10. WASC Award Letter
11. Portfolio Criteria and Individual Learning Plans (Optional)
12. Video Overview of Your School (Optional)
13. Application Checklist (Attachment K)

Application Evaluation Process

- Step 1: **Application Screening.** Each application will be screened by Educational Options, Student Support, and American Indian Education Office (EOSSAIEO) staff to determine if it meets the minimum eligibility criteria. EOSSAIEO staff **will not** notify applicants of application omissions and **will not** accept faxed or e-mailed additions to submitted applications. Applications that **do not meet** the minimum eligibility criteria **will be disqualified.**
- Step 2: **Application Review.** Applications that pass the screening process performed by EOSSAIEO staff will be evaluated by trained field experts. Narrative

Statements and Program Effectiveness Statements will be rated on the following three-point scoring rubric:

Strong Case	3 points	All requested components are addressed, includes evidence and descriptions of exemplary practices
Good Case	2 points	Most requested components are addressed, but lacks evidence and descriptions of exemplary practices
Fair Case	1 point	Few components are addressed, lacks evidence and descriptions of exemplary practices

It is possible to receive a total score of 33 points—a maximum of 21 points for the narrative statements plus 12 points for the program effectiveness statements. Applications that receive a total score of 25 points or more will qualify for a Site Validation Visit. Applications that receive less than 25 points will be disqualified.

The WASC Award Letter will be reviewed to verify that the applicant school is currently accredited.

Step 3: Site Validation Visit. A review team will conduct a Site Validation Visit to applicant schools receiving a total score of 25 points or more. The purpose of the visit is to evaluate evidence that establishes the school as an MCHS.

During the Site Validation Visit, the review team will interview the principal, teachers, students, guidance and support staff, stakeholders, and others familiar with the school. The review team may select teachers and students at random for brief interviews on the day of the visit. They will ask the applicant school to present evidence that validates the implementation of each Quality Indicator. Based on the Site Validation Visit, the review team may recommend the applicant school for MCHS status to the CDE, where a final determination will be made. The review team must share their recommendation with the principal prior to the end of the Site Validation Visit.

Step 4: District Audit Report Review. CDE staff will review the applicant school’s District Audit Report provided to the CDE’s School Fiscal Services Division. The purpose of the review is to determine if there are any continuation education attendance audit findings associated with the applicant. CDE staff will also review the District Audit Report to establish if there are any internal control findings or any other notes that may raise doubt as to the quality of the applicant’s program.

Pursuant to *EC* Section 41020(h),

“Not later than December 15, a report of each local educational agency audit for the preceding fiscal year shall be filed with the county superintendent of schools of the county in which the local educational agency is located, the department, and the Controller...”

Failure of a district to submit their audit report to the CDE’s School Fiscal Services Division by December 15, 2017, will result in the applicant being considered ineligible for designation as a 2018 MCHS. It is up to the applicant to relay the importance of a timely submission to their school district.

Recommendations and Final Decisions

The site review teams make recommendations to the CDE’s EOSSAIEO. Final determinations are made by the Division Director of the Coordinated Student Support Division.

Model Continuation High School Designation Period

Schools that are awarded model school designation will be for the period of April 2018 to March 2021. Model schools are encouraged to submit a new MCHS application in the 2020–21 MCHS application year to avoid a gap in model school designation status.

Obligations of Model Continuation High Schools

The MCHS Recognition Program is a partnership between the CDE and the California Continuation Education Association (CCEA). The CCEA expends a significant amount of funding each year for costs associated with the evaluation of applications and the completion of site visits to applicant schools. The CCEA will ask each school recommended for designation as an MCHS for reimbursement for actual costs incurred in evaluating the application and completing the Site Validation Visit. It is anticipated that this amount would not exceed \$500.

MCHSs provide examples of promising practices in the field. Schools that are selected as MCHSs will be asked to offer Site Validation Visits, sample materials, telephone consultation, and training and/or virtual Web site links, if requested by schools and districts in need of technical assistance. Staff from schools selected as MCHSs will be asked to participate in MCHS Application reviews in the future, including application rating and Site Validation Visits to applicant schools.

Annual Assurance of Services

Schools selected as MCHSs agree to submit an Annual Assurance of Services Form (Attachment A) by June 30 for each of the second and third years of designation. The

Annual Assurance of Services Form certifies that the school meets or exceeds the MCHS Recognition Program standards as described in the 2017–18 application. If the applicant school is selected as an MCHS in 2018, retain a copy of the form for your records. Complete the form and submit it on the following dates: **June 30, 2019**, and **June 30, 2020**. The original Annual Assurance of Services Form shall include **all** original signatures in **blue ink**.

Intent to Submit

Principals intending to submit an application for the MCHS Recognition Program are required to complete the Intent to Submit Form (Attachment B) and submit it to the CDE **by Friday, June 30, 2017**. The completed Intent to Submit Form should be e-mailed to:

Darice Barefield, Associate Governmental Program Analyst
E-mail: dbarefield@cde.ca.gov

An e-mail confirmation of receipt of the Intent to Submit Form will be sent to both the principal and superintendent named on the form.

Please be sure that your school meets all of the eligibility requirements. Submitting the Intent to Submit Form does not obligate the applicant to submit an application.

APPLICATION INSTRUCTIONS

Section 1: Application Cover Sheet

The Application Cover Sheet (Attachment C) shall include all original signatures **in blue ink**. Include the completed Application Cover Sheet as the first page of your application. Mailing instructions are provided at the bottom of the Application Cover Sheet.

Section 2: School Information Sheet

Complete all items on the School Information Sheet (Attachment D).

Note: For Average Enrollment, P2 Apportionment and Percentage, enter the previous year's average enrollment and the previous year's P2. Average enrollment for the year is calculated by adding the total number of students enrolled for each month and dividing by 10. The previous year's P2 must be a minimum of 75 percent of the previous year's average enrollment in order to meet the minimum eligibility criteria (e.g., 100 students enrolled must equal at least 75 percent of P2 to qualify). This percentage is calculated by dividing the previous year's P2 by the previous year's average enrollment. Enter the percentage in the appropriate box.

Section 3: Glossary

Create a glossary for your application using Attachment E. Spell out any acronyms or initialisms used within the Narrative Statements (excluding the Community Member Statement), the Program Effectiveness Statements, and the Quality Indicators (Self-Evaluation), e.g., Single Plan for Student Achievement (SPSA).

Note: This tool will assist the reviewer of your application since he and/or she may not be familiar with the programs, tests, etc., utilized at your school site.

Section 4: Narrative Statements

Respond to each of the seven topics listed below. Use Attachment G to provide responses for the following narrative statements: School Profile, School Management, and the Way Credits Are Earned. Include statements on separate pages for the remaining four narrative statements, Staff, Student, Parent/Guardian/Caregiver, and Community. Ensure that each narrative statement focuses on specific qualities and innovative characteristics that make the applicant school an exemplary model. Each Narrative Statement is limited to one page and **must** be typewritten on 8½- by 11-inch white paper, using an 11 or 12-point Arial font, single-spaced, normal character spacing, with one-inch margins. Applicants may only use a smaller Arial font when inserting pie charts or graphs to present technical information not in a narrative nature.

Note: Applications with Narrative Statements that exceed the one page limit on 8½- by 11-inch white paper, using an 11 or 12-point Arial font, single-spaced, normal character spacing, with one-inch margins will be disqualified.

1. **School Profile.** A school profile **must** describe the school, student demographics, community context, district support, instruction provided, special education services, accountability measures, and unique characteristics of the school that make it worthy of statewide recognition.
2. **School Management.** A school administrator's description of the elements of school management that are in place **must** include ways that staff, students, and stakeholders are involved, ways the school coordinates with the traditional high school and other alternative education programs, ways support is provided by the district; the functioning of Student Success Teams or similar committees, and the ways that students are referred to the school.
3. **The Way Credits Are Earned.** Describe all methods students may use to earn credits. Indicate the maximum number of credits that can be earned per quarter, semester, and year in the boxes provided. Describe the scoring rubrics for projects, essays, and other individual assignments. Describe the use of competency, mastery, in-class and out-of-class projects, homework, and length of each class period. State if all credits and partial credits are transferable to other schools in the district. Describe the instructional delivery system (e.g.,

directed teaching, project-based assignments, group projects, and other modalities).

If the number of credits to graduate from the continuation high school is less than the number required to graduate from the traditional high school in the district, explain the differences and the rationale for requiring fewer credits.

4. **Staff Statement.** One staff member **must** describe the characteristics that make the school exemplary. This statement must be from a non-managerial staff member. The name and title of the staff member who prepared the statement must be included.
5. **Student Statement.** One student **must** describe ways the school has helped him or her be successful, citing personal experiences (e.g., improved attendance, earning credits, gaining employment, and other examples). The student must be enrolled at the school at the time the statement is written. The name and graduation year of the student who prepared the statement must be included.
6. **Parent/Guardian/Caregiver Statement.** One parent/guardian/caregiver **must** describe ways the school has helped his/her student(s) achieve their goals (e.g., improving school attendance, earning credits, goal setting, improved behavior, and other examples). The parent/guardian/caregiver who provides this statement must not be a member of the same family as the student who provides the Student Statement. The parent/guardian/caregiver must have a student currently enrolled at the school at the time the statement is written. The name of the parent/guardian/caregiver who prepared the statement must be included.
7. **Community Member Statement.** This statement must be placed on letterhead from his/her community organization and the community member's title **must** be included. It **must** be about the impact the school and its students have on the community. The community member making the statement must not be employed by the school district. This statement should not be about the "partnership" between the school and community member or what the community member does for the school. It must be about the impact the school and its students have on the community.

Section 5: Program Effectiveness Statements

Respond to each of the topics listed below. Use Attachment H to provide your responses. Ensure that each Program Effectiveness Statement is based on assessment practices and data that support the applicant school's claim to be an exemplary model. Each Program Effectiveness Statement is limited to one page and **must** be typewritten on 8½- by 11-inch white paper, using an 11 or 12-point Arial font, singled-spaced, normal character spacing, with one-inch margins. Applicants may only use a smaller Arial font when inserting pie charts or graphs to present technical information not on a narrative nature.

Note: Applications with Program Effectiveness Statements that exceed the one page limit on 8½- by 11-inch white paper, using an 11 or 12-point Arial font, singled-spaced, normal character spacing, with one-inch margins will be disqualified.

Required Topics:

1. **School Evaluation of Effectiveness.** Describe how the school evaluates the effectiveness of its educational program through the accountability process. Describe what procedures are used to determine what is working and what needs to be improved (e.g., test results, student surveys, teacher feedback, and other examples).
2. **Student Assessment Results.** Describe Student Assessment Results from the 2016–17 school year and data the staff used to evaluate those results (e.g., California Standards Test [CST] results, California Modified Assessment [CMA] results, California Alternate Performance Assessment [CAPA] results, Smarter Balanced Summative Assessment results, California English Language Development Test [CELDT] results, district results, and other sources). Discuss how staff uses these data to support instructional improvement.
3. **Use of Additional Data.** If staff has collected accountability data in addition to the data listed above, such as district or teacher-generated assessment measures, Armed Services Vocational Aptitude Battery (ASVAB), Preliminary Scholastic Achievement Test (PSAT), or other examples, describe how these data have been used to support continuous program improvement and effective instructional practices. Describe your use of formative data. If there are no additional data, describe how the school supports continuous program improvement and effective instructional practices.
4. **How Use of Data is Noteworthy.** Describe how the school’s use of assessment and accountability data support is exemplary. Summarize the elements the school uses that have led to school improvement (e.g., data, instruction, curriculum, and other examples). Explain how the use of these data demonstrates exemplary practices that could be useful to other schools. Include a description of how your school is helping to close the Achievement Gap.

Note: The Achievement Gap is defined as the gap between test scores for African American and Hispanic students compared to test scores for white and Asian students. Cite evidence that your school performs above and beyond the performance of a normally effective continuation high school.

Section 6: Quality Indicators (Self-Evaluation)

Quality Indicators are used to describe critical program components that are implemented at the applicant school.

Note: All 20 Quality Indicators must be “In Place” and currently implemented for the application to meet minimum eligibility criteria.

Review each indicator on Attachment I. For each indicator, mark the appropriate box. Briefly describe the evidence that substantiates the implementation of each Quality Indicator, using the “Evidence” section provided. The “Evidence” section is expandable in Microsoft Word format. If the expandable Microsoft Word section format is not used, title each page “Quality Indicators” and clearly indicate the letter and number of each Quality Indicator.

Note: An application with one or more Quality Indicators “Not in Place” will be disqualified.

Note: An application that lacks evidence of implementation for one or more Quality Indicators will be disqualified.

Note: The intent of Quality Indicator B-2 is to verify that students have access to courses that meet the University of California (UC) entrance requirements.

Note: Quality Indicator C-3 is subject to evaluation by the review committee. If the applicant school’s student-teacher ratio exceeds 15:1, based on the ADA enrollment average of 20:1, with 75 percent attendance, the applicant may submit a one-page typewritten explanation on 8½- by 11-inch white paper, using an 11 or 12-point Arial font, singled-spaced, normal character spacing, with one-inch margins that describes how the school is exemplary and request that the 15:1 ratio be waived. The review committee will evaluate the waiver request and rate the application accordingly. If the school qualifies for a Site Validation Visit, the student-teacher ratio will be reviewed during the Site Validation Visit to determine if the school offers an exemplary program.

Section 7: Exemplary Components Checklist

Complete the Exemplary Components Checklist (Attachment J). Check the appropriate box for each listed component.

Section 8: Master Schedule

Submit a copy of the most current Master Schedule. The school year and term **must** be listed on the top of the Master Schedule.

Section 9: Western Association of Schools and Colleges Visiting Committee Report

If selected for a Site Validation Visit, the applicant must prepare a digital copy of the WASC Visiting Committee Report and make it available to the review team on the day of the Site Validation Visit.

Note: Schools with Initial, Interim, and Candidate status for WASC accreditation **do not meet** the criteria to apply for recognition as an MCHS.

Section 10: Western Association of Schools and Colleges Award Letter

Submit a copy of the most recent WASC Award Letter that lists the dates for which the school is accredited. A certificate will **not** be accepted in lieu of the award letter.

Section 11: Portfolio Criteria and Individual Learning Plans (Optional)

If the applicant school uses a portfolio for student assessment or a senior project, the applicant has the option of providing the guidelines with the application. Do not provide a sample portfolio or project. Submit a copy of the Individual Learning Plans (ILPs) used with students. Do not provide sample ILPs that contain student names or identifiers. If the applicant school does not use portfolios or ILPs, indicate this in the section.

Section 12: Video Overview of Your School (Optional)

The applicant school has the option of submitting a video overview of your school, or any aspect of your school, with the application. The video must not exceed five minutes in length and should be on a CD or DVD format. The video will not be rated as part of the application, but will only be reviewed for the purpose of gaining a fuller understanding of the applicant school. The applicant will not lose points, be rated lower, or be otherwise diminished if the applicant chooses not to submit a video.

Section 13: Application Checklist

Before submitting the application, the applicant is responsible for ensuring that the application package is complete and no pages or forms are missing. The CDE cannot add items to or remove items from the received application. Required information omitted from the application will disqualify an applicant. Inclusion of the Application Checklist (Attachment K) ensures the applicant's attention to requirements that might otherwise result in disqualification. The checklist **must** be submitted with the application.

Certification Form

Complete the Certification Form (Attachment E). The applicant school's District Superintendent must sign this form. Signatures must be original. **Please sign using blue ink.**

Appendix 1

Expectations for Site Validation Visits

The applicant school is responsible for showcasing the components that make it an MCHS. Remember that the emphasis is on what makes the school exemplary, rather than simply a good school. The following steps must be completed:

1. The applicant school must submit a Site Validation Visit agenda (See Appendix 3) to the site review team in advance of the visit.
2. The following activities are expected to take place during the Site Validation Visit:
 - a. Classroom visits to see all or a representative sample of the entire program. It is the school's responsibility to arrange classroom visits.
 - b. Meetings with administrators and staff members.
 - c. Meetings with stakeholder group(s).
 - d. Meetings with student focus group(s), individual students, and parent/guardian/caregiver focus group(s).
 - e. Opportunities to observe evidence or discuss all components of the self-nomination as an MCHS. This can occur through meetings with appropriate staff and observations of exemplary components and/or practices.
 - f. A meeting with site review team members before the exit interview to discuss tentative findings.
 - g. An exit interview that includes the following:
 - The site review team summarizes what they saw as exemplary components and cites areas of concern. The school staff will have the opportunity to ask clarifying questions and respond to any concerns.
 - The site review team offers positive recommendations and gives indications of exemplary practices that were observed.
 - The site review team informs the principal if it is not recommending the school as an MCHS. The team must identify specific areas that failed to meet model school standards. The team should offer the school technical assistance or provide a referral for technical assistance.
 - The site review team may inform the principal if it recommends that the school be designated as an MCHS. However, the site review team must make it absolutely clear that the final decision will be made by the CDE.

Appendix 2

Common Problems with Site Validation Visits

The following are common problems that may occur during the Site Validation Visits:

1. The site review team does not find evidence to support the elements that have been presented in the application.
2. The school does not provide sufficient opportunity for the site review team to meet representative samples of stakeholder groups, students, administrators, staff, and others.
3. The Site Validation Visit schedule does not allow time for the site review team to meet and compile their report.
4. The site review team fails to hold an exit interview and/or fails to identify specific areas of concern that support a recommendation against recognition as an MCHS.
 - a. The site review team must inform the principal if the applicant school is not going to be recommended as an MCHS and must provide reasons that support the findings.
 - b. Technical assistance or a referral for technical assistance should be provided and, if appropriate, the school should be encouraged to reapply the following school year.
5. The site review team informs the school that it has been selected as an MCHS by the CDE.
