

EXEMPLARY COMPONENTS CHECKLIST

The following list of exemplary components is intended to provide the review team with an overview of the applicant school.

Each component is described in general terms. Use your best judgment in determining whether or not the school offers each component. There will be an opportunity to clarify the details of each checked component if a Site Validation Visit is scheduled.

Please indicate any components that support the applicant school in providing exemplary practices. Key in “Yes” to the corresponding component type if it is offered, otherwise, key in “No.”

Component Type	Is this component offered?
